What experience do you have mentoring others?

What do you wish you knew as a freshman in college?

What is your definition of mentorship? What qualities should a good "mentor" have?

What does it mean to be an Aggie? What does ACES mean to you?

Why do you want to serve as an ACES Mentor?

What other time/leadership commitments will you have during the first eight weeks of Fall 2026?

Are you bilingual? If so, what language(s) are you bilingual in?

---

Please check each item once they are completed- **please submit printed packet:**

- |   |   |
|---|---|
| <input type="checkbox"/> Attached updated resume.             | <input type="checkbox"/> Attached signed "Expectations" form. |
| <input type="checkbox"/> Attached headshot photo of yourself. | <input type="checkbox"/> Completed and signed application.    |

---

Please check each ACES 1120 Section you are available to mentor:

- |   |   |
|---|---|
| <input type="checkbox"/> Section M20 TR (10:30 – 11:20) | <input type="checkbox"/> Section M23 MW (12:00 – 12:50) |
| <input type="checkbox"/> Section M21 TR (12:00 – 12:50) | <input type="checkbox"/> All Sections                   |
-

If selected, I understand I am required to:

- Attend one section, a total of 8 classes, of the ACES 1120 class and section I am assigned to.
- Enroll in 1 credit hour of ACES 301.
- If an absence is unavoidable, it is the mentor's responsibility to find another mentor to cover for them for the class meeting date missed.

I understand I ***must*** attend the later course meeting day (Wednesday or Thursday, depending on section).

M20 on TR (10:30 am - 11:20 am)

M21 on TR (12:00 pm - 12:50 pm)

M23 on MW (10:30 am - 11:20 am)

The Homecoming Sam Steele Ceremony (First week of 11/26)

I understand       I do not understand.

***Return the completed printed application and accompanying documents to GT 221 by 5 p.m. Monday, April 13th.***

*If you have any questions, contact Dr. John Townsend, [jtownsen@nmsu.edu](mailto:jtownsen@nmsu.edu).*

We are exploring the possibility of offering ACES 301 in Spring 2027 to continue supporting and mentoring undergraduate freshmen, first-year students, and lower-level transfer students as they complete their first year successfully.

Would you be interested in enrolling in ACES 301 (a one-credit course) in Spring 2027 to continue mentoring students?

Yes

No
